COMMENTS:

This bill would permit a county recorder to accept both digital and digitized documents for recording.

The July 17, 2007, amendments would make a technical change to remove amendments made to the Revenue and Taxation Code Section 62 relating to exceptions for when transfer of ownership of real property would trigger a reassessment of property tax and placed the amendments under its own code section. The July 17, 2007, amendments do not impact the department's programs or operations or state income tax revenue. The remainder of the department's analysis of the bill as introduced February 22, 2007, still applies.
